

1-We will give you the package of 4LPA(I told them 5LPA) and if you are okay with that,let us know before tomorrow 10AM?

- I got really stuck there .i want to find how to deal with this question, after a long research I found out .we can answer like this "I'm thankful for the 4LPA offer. Considering my skills and potential contributions, I aspired for around 5LPA. As a skilled fresher, I'm also open to any technical assessment. Can we discuss this before tomorrow at 10AM?"
