Dear Hiring Manager,

I am writing to express my interest in the Full Stack Web Developer position at your organization. As a self-taught developer with over 7 months of internship experience in a Programming Bootcamp (Weekly reviewed by industrial experts) in front-end development using React JS and back-end development with Python Django, I am confident in my ability to bring valuable skills to your team. In addition to my development skills, I also have experience with several Adobe Creative Suite programs, including Photoshop, After Effects, Premier Pro, and Illustrator.

Throughout my career, I have demonstrated my ability to design and develop user-friendly web applications with visually appealing interfaces. My proficiency in HTML, CSS, Bootstrap and JavaScript has allowed me to create dynamic and responsive web pages that meet the needs of the users. My experience with Adobe Creative Suite has allowed me to create engaging visual content that enhances the user experience of web applications.

I am passionate about web development and have taken a self-directed approach to my learning journey. I have continuously improved my skills by working on personal projects, attending webinars and workshops, and collaborating with other developers in online communities.

In addition to my skills in front-end development, I am also proficient in working with databases such as MongoDB and PostgreSQL. My ability to work in a team and communicate effectively with stakeholders has also been invaluable in my past projects.

As a self-learned developer, I am highly motivated and have a passion for staying up-to-date with the latest web development technologies and trends. I am confident that my experience and knowledge make me a strong candidate for this position.

Thank you for considering my application. I am excited about the prospect of working with your team and contributing to the success of your organization.

Sincerely,

Mohammed Ihthisham
